8 There is no specific standing order fixing the date of submission of reports in this matter. Such reckoning it is said places this office at a great disadvantage as to a circular order fixing a definite time for the receipt of such reports seems necessary.

Office of the Deputy Commissioner,
Bangalore District,
Dated Bangalore, 28th February 1921.
2nd March 1921.

From

H.A.Narayana Iyengar, Esq., B.A., B.L.,
Deputy Commissioner,
Bangalore District.

To

T.E.Jayarama Iyer, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Muzrai Department, Bangalore.

Sir,

I have the honor to state that the Amildar of Nagadi Taluk reports that the car of Sri Narasimhaswami at Suggenahalli is in a rickety condition and unless it is repaired, it is not possible to celebrate this year's Rathotsavam, which is to be held in the middle of March.

An estimate for Rs.212/- is herewith submitted. The District Naramat Engineer who scrutinized the estimate, reports that there is an olive tree in the Tope belonging to the temple (which does not yield any crop). If the tree is cut and used for the car, it will save a sum of Rs.106/- as shown in the estimate.

The enclosed Treasury certificate shows that a sum of Rs.4480-8-11 is at the credit of the temple.

As the car festival is fast approaching, I request you to be so good as to obtain sanction of Government at an early date.

The estimate and the Vernacular records are herewith submitted.

I have the honor to be,

Sir,

Your most obedient servant.

Deputy Commissioner,
Bangalore District.
